

# EUROPEAN TOUR PGA MEMBER TICKETING

## Updated Ticketing Policy Information

Following discussions with the European Tour regarding their updated ticketing policies, there are now new regulations and a new process for PGA Professionals to gain access to Tour-owned events.

For further information please contact your National PGA.

---

## TICKETING POLICY INFORMATION

1. All PGA Professionals will be given one free season ticket (valid for all tournament days) for each of the Tour owned events listed below.
2. PGA Professionals will be asked to collect their season ticket from the Box Office on the first day they visit a tournament.
3. Entry to the event will require both the ticket **and** the PGA Member card, which must be shown on each day the PGA Professional attends the event.
4. PGA Professionals will not need to pre-register for their tickets, but will need to provide their details on collection of their ticket so the European Tour can register them on the system as having redeemed a ticket.
